## PROJECTS

### Web Development Projects:

- Portfolio Website – React | React Router | TailwindCSS** [Live](#) [Code](#)  
A fully responsive personal portfolio showcasing my web development skills, experience, and projects. Built with smooth animations and reusable React components.
- BillerBD – React | React Router | SwiperJS | Firebase** [Live](#) [Code](#)  
A single-page application that allows users to manage and pay utility bills online. Integrated Firebase for authentication and data storage.
- LawyerDesk – React | React Router | TailwindCSS** [Live](#) [Code](#)  
A professional website for connecting lawyers and clients. Designed with responsive layouts and interactive service listings for better user experience.
